

Cynomolgus GFRAL/GFR alpha-like Protein

Cat. No. GFL-CM401

Description

Source	Recombinant Cynomolgus GFRAL/GFR alpha-like Protein is expressed from HEK293 with His tag and Avi tag at the N-Terminus. It contains Gln20-Glu351.
Accession	XP_015304775.2
Molecular Weight	The protein has a predicted MW of 40.7 kDa. Due to glycosylation, the protein migrates to 50-70 kDa based on Bis-Tris PAGE result.
Endotoxin	Less than 1EU per µg by the LAL method.
Purity	> 95% as determined by Bis-Tris PAGE > 95% as determined by HPLC

Formulation and Storage

Formulation	Lyophilized from 0.22µm filtered solution in 20mM PB, 0.4M NaCl (pH 6.0). Normally 8% mannitol is added as protectant before lyophilization.
Reconstitution	Centrifuge the tube before opening. Reconstituting to a concentration more than 100 µg/ml is recommended. Dissolve the lyophilized protein in 20mM PB, 0.4M NaCl (pH 6.0).
Storage	-20 to -80°C for 12 months as supplied from date of receipt. -80°C for 3 months after reconstitution. Recommend to aliquot the protein into smaller quantities for optimal storage. Please minimize freeze-thaw cycles.

Background

GFR alpha-like (GDNF receptor-alpha-like) is a distant member of the GDNFR family of proteins. Mature human GFR alpha-like is a 376 amino acid (aa) type I transmembrane protein. It contains a 333 aa extracellular domain, a 20 aa transmembrane domain and a 23 aa cytoplasmic domain. GFRAL is a brainstem-restricted receptor for GDF15 which regulates food intake, energy expenditure and body weight in response to metabolic and toxin-induced stresses.

Assay Data

Bis-Tris PAGE

Cynomolgus GFRAL on Bis-Tris PAGE under reduced condition. The purity is greater than 95%.

SEC-HPLC

The purity of Cynomolgus GFRAL is greater than 95% as determined by SEC-HPLC.

Assay Data

ELISA Data

Cynomolgus GFRAL, His Tag ELISA

0.1µg Cynomolgus GFRAL, His Tag Per Well

Immobilized Cynomolgus GFRAL, His Tag at 1µg/ml (100µl/well) on the plate. Dose response curve for Cynomolgus GDF15, hFc Tag with the EC50 of 3.5ng/ml determined by ELISA.
